

# DNTA1201: Externship I

**Credit Hours:** 2.5

**Clock Hours:** 115 (Theory 35, Externship 80) (Ground 80, Online 35)

In the final phase of training, students are placed in a dental clinic setting. This cooperative effort between the school and the dentist's office gives students the opportunity to gain confidence and competence in the field while honing the skills learned in the classroom. While on externship, students are evaluated by the clinical site staff.
