

Program-Specific Selective Admissions Criteria

In addition to meeting the General Admissions Requirements, applicants to the following programs must also meet the following selective criteria.

Cardiovascular Sonography (Associate of Applied Science)

The Cardiovascular Sonography program requires a program director interview and a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

Dental Assisting (Associate of Applied Science)

Applicants must be graduates from a Dental Assisting/Assistant diploma program and:

Applicants who have successfully completed a Dental Assisting/Assistant diploma program from any Concorde campus will receive block transfer credit totaling 35 semester credits. A graduate of a Concorde Dental Assisting diploma program is exempt from entrance requirements.

Graduates of Dental Assisting/ Assistant programs from non-Concorde regionally or nationally accredited post-secondary educational institutions recognized by the United States Department of Education may receive 35 semester credits upon evaluation of a transcript from the issuing school. In addition, non-Concorde applicants must also meet all other entrance requirements as outlined in the Admissions section of this catalog.

Dental Hygiene (Associate of Applied Science)

The Dental Hygiene program requires a criminal background check and an interview with the Program Director for admission. See the "Criminal Background Check" section in this catalog for details. The Program Director interview takes into consideration previous academic performance, healthcare experience, and overall professional presentation. The outcome of the Program Director interview is considered in ranking applicants.

Seat selection for the Dental Hygiene program is typically determined 30 days prior to the program start date. A deposit of \$400 is due within seven (7) days of being offered a seat in the program. This deposit is required in order to hold your place in the program and is refundable if you should decide not to continue with your enrollment prior to your start date. The time period for seat selection varies by campus based on the number of applicants.

Diagnostic Medical Sonography (Associate of Applied Science)

The Diagnostic Medical Sonography program requires a program director interview and a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.
